

Opportunity: .Net Developer

Team: Software Development

Location: Brentwood, TN

Status: Permanent, Full Time Position with Benefits (salary is based on experience)

EFC Systems has an immediate need for enthusiastic and talented individuals who are passionate about doing everything possible to verify quality software is released to our clients. As a member of our **Software Development** team, you will drive value by creating features that extend our multi-product E.R.P applications.

We are looking for individuals that have a positive attitude, are outgoing / energetic, tech-savvy, coachable and have vision to drive future development initiatives. Prior experience working in a software development environment as a developer is preferred and knowledge of the business applications and / or the agriculture supply chain industry is a plus. The fast-paced, entrepreneurial culture of EFC Systems requires dynamic and self-motivated individuals who work well independently and/or as part of a team.

Responsibilities/Requirements:

- Mid to senior level candidates who have experience with .Net and Microsoft SQL/T-SQL
- Team members that are well organized, attentive to detail and have a positive attitude
- Those who want to drive not only the features/needs from our clients today, but also anticipate future needs
- Be willing to deliver new features often, learn and adapt
- Bachelor's degree in Computer Science is preferred

Our Mission:

EFC Systems is based out of Brentwood, TN and delivers innovative software solutions throughout the entire Agribusiness supply chain. Merchant Ag, Vanguard Ag, AgSolver and FieldAlytics are our core software solutions that serve the needs of agriculture retailers and wholesalers nationwide with comprehensive features comprised of financial/accounting, agronomy, feed manufacturing, retail point-of-sale, wholesale distribution, grain contracting, field data management and conservation / sustainability initiatives.

Benefits Include: Competitive salary, casual dress code, 401k plan, medical, attractive paid time off accrual, referral program and great coffee.

Next Steps: Send a copy of your resume to hr@efcsystems.com so that we may coordinate a brief introductory call to discuss our company, culture and rewarding career opportunities.
