

Opportunity: .Net Developer

Team: Software Development

Location: Brentwood, TN

Status: Permanent, Full Time Position with Benefits (salary is based on experience)

EFC Systems is a rapidly growing technology solutions company specializing in software for the agricultural supply chain. Merchant Ag, Vanguard Ag, AgSolver and our precision agronomy solution FieldAlytics are the four main products that serve the needs of agriculture retailers and wholesalers nationwide with comprehensive features comprised of financial/accounting, agronomy, feed manufacturing, retail point-of-sale, wholesale distribution, grain contracting and precision agronomy. This position is focused on our Merchant Ag and Vanguard Ag solutions, which manages all aspects of a retail or wholesale operation focusing on financials, inventory management, customer management and other specific functionality that is unique to the agribusiness supply chain.

We are looking for developers with solid fundamentals with a minimum of one year of professional development experiences and skills that overlap with our stack (or with similar technologies):

- Mid to senior level candidates who have experience with .Net and Microsoft SQL/T-SQL
- Team members that are well organized, attentive to detail and have a positive attitude
- Those who want to drive not only the features/needs from our clients today, but also anticipate future needs
- Be willing to deliver new features often, learn and adapt
- Bachelor's degree in Computer Science is preferred

Our Mission:

EFC Systems is based out of Brentwood, TN and delivers innovative software solutions throughout the entire Agribusiness supply chain. Merchant Ag, Vanguard Ag, AgSolver and FieldAlytics are our core software solutions that serve the needs of agriculture retailers and wholesalers nationwide with comprehensive features comprised of financial/accounting, agronomy, feed manufacturing, retail point-of-sale, wholesale distribution, grain contracting, field data management and conservation / sustainability initiatives.

Benefits Include: Competitive salary, casual dress code, 401k plan with matching, medical, attractive paid time off accrual (PTO) and a referral program.

Next Steps: Send a copy of your resume to hr@efcsystems.com so that we may coordinate a brief introductory call to discuss our company, culture and rewarding career opportunities.
